*"How lucky I am to know someone and somewhere that makes me so sad when I have to say 'Good-bye'."*

## "Our Last Goodbye"

Senior year
We've waited so long
We sat in class
Counting the days
Until that time
When we could say
Farewell.
And now
That time has come
And we sit here
Far from class
Afraid
Of what's to come
In the future.
We'll miss this school
Four long years
Of banging lockers
Tough and caring teachers
Bad report cards
Tiring exams
The good old days
One thing
Time will never change
The loyalty
Support
And spirit
Of our friends
At Millville High.
To the teachers and staff
We say
We love you all
Thanks for the help
You're the greatest
Let our memories live — forever.

— Donna Youst

## "Fight the Good Fight"

The days grow shorter and the nights are getting long
Seems like we're running out of time.
Everyday it seems much harder telling right from wrong
You've got to read between the lines.

Don't get discouraged, don't be afraid,
We can make it through another day
Make it worth the price we pay.

The Good Book says it's better to give than to receive
I do my best to do my part
Nothing in my pockets, I got nothing up my sleeve
I keep magic in my heart.

Keep up your spirit
Keep up your faith
I am counting on you
You know what you've got to do

Fight the good fight every moment
Every minute, every day.
Fight the good fight every moment
It's your only way.

All your life you've been waiting for your chance
Where you fit into the plan
But you're the master of your own destiny
So give and take the best that you can.

You think a little more money can buy your soul some rest
You better think of something else instead.
You're so afraid of being honest with yourself
You better take a look inside your head.

Nothing is so easy, nothing good is free
But, I can tell you where to start
Take a look inside your heart
There's an answer in your heart.

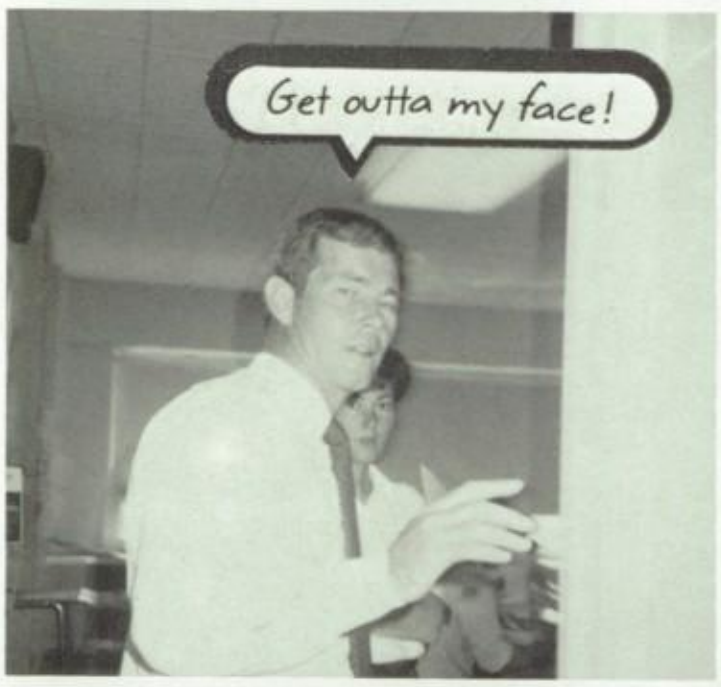
QUÉ PASA?

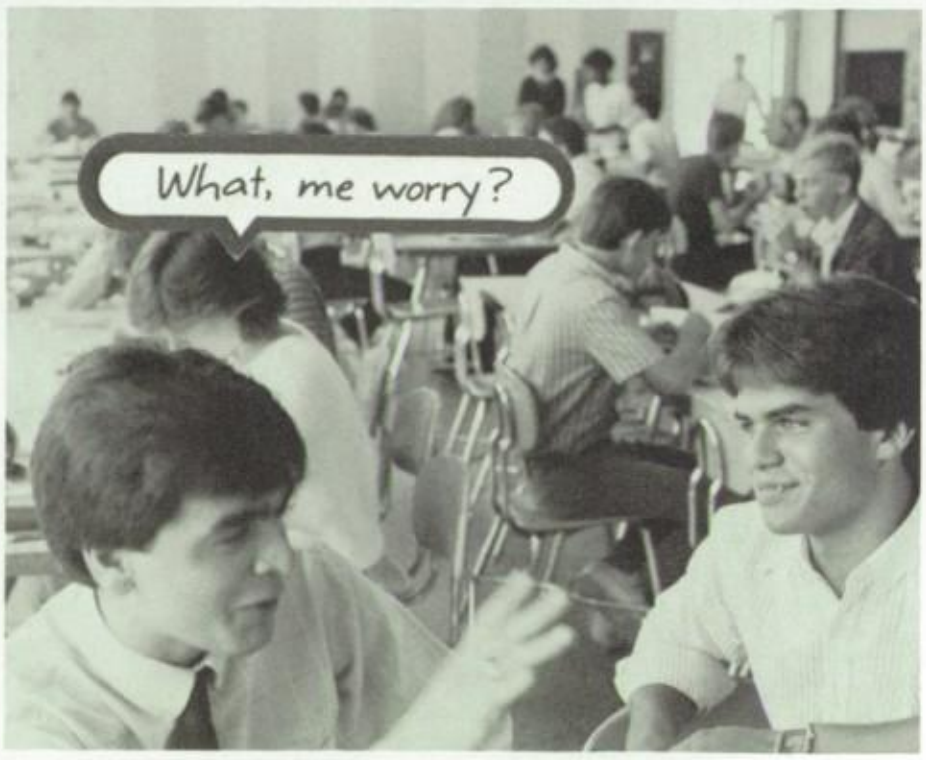
I'M GONNA BE A STAR☆!
I CAN SLEEP THROUGH ANYTHING!



Get outta my face!

YOU CALL THIS DANCING?

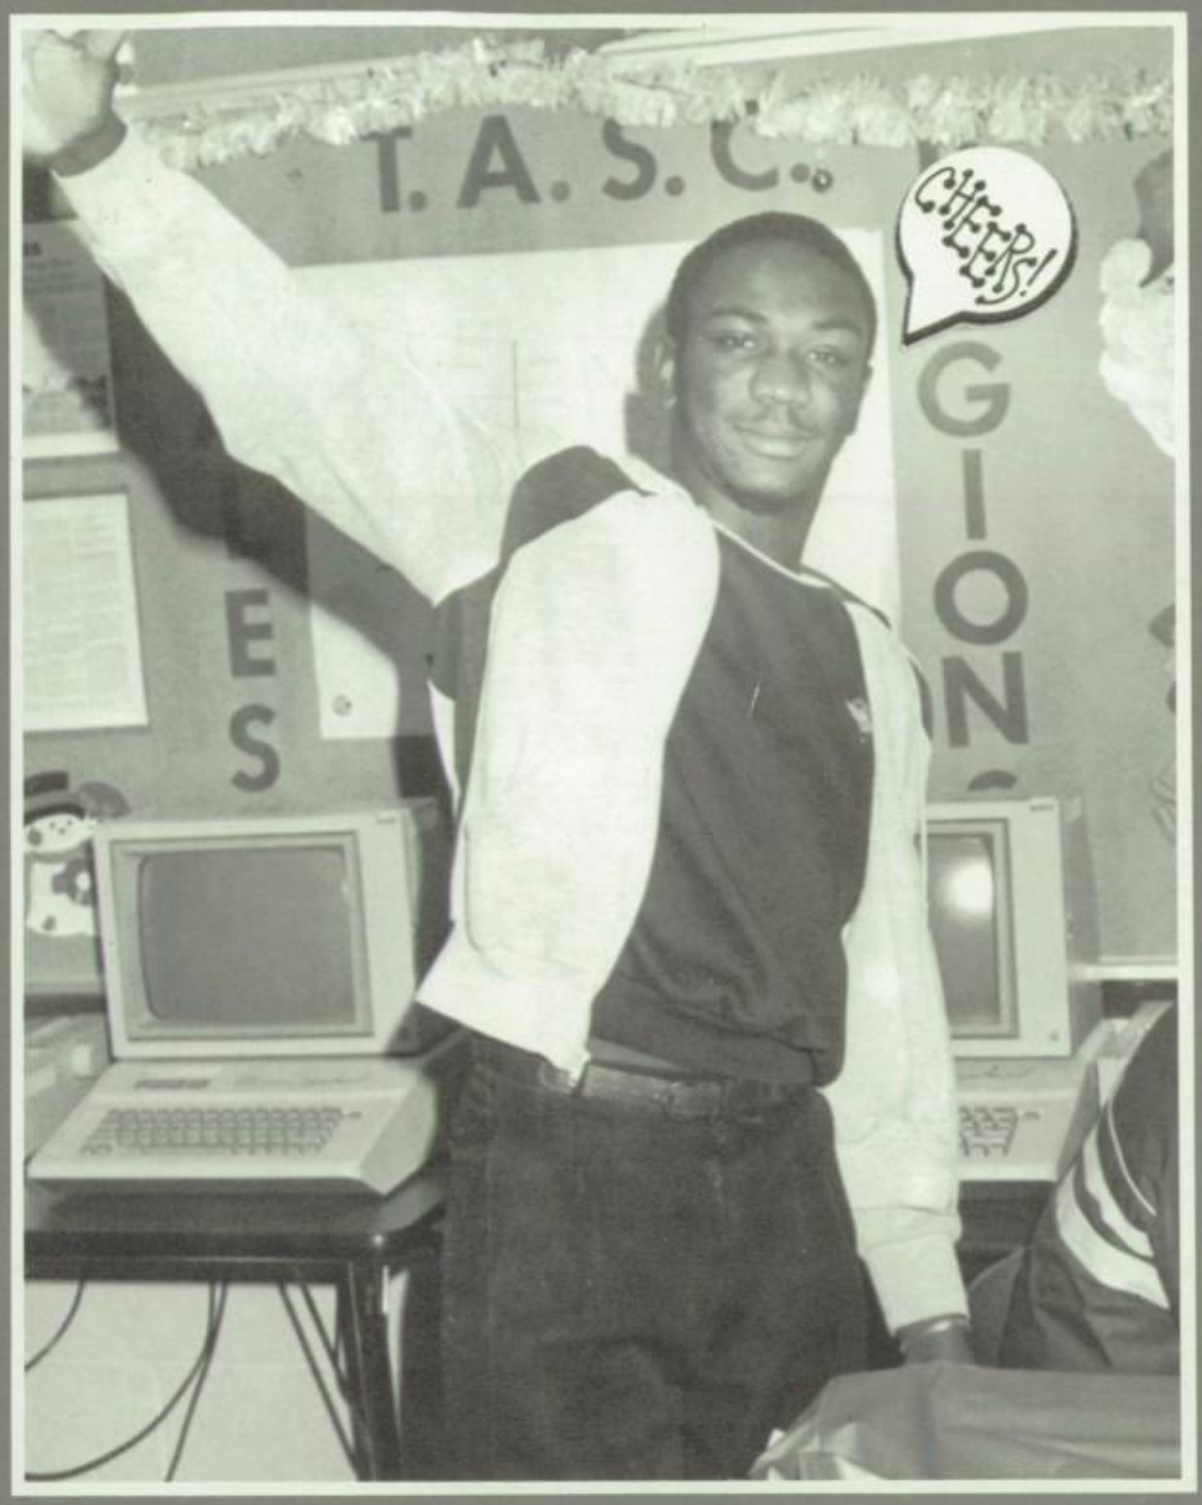
WHO? ME?
WHY ME?



What, me worry?

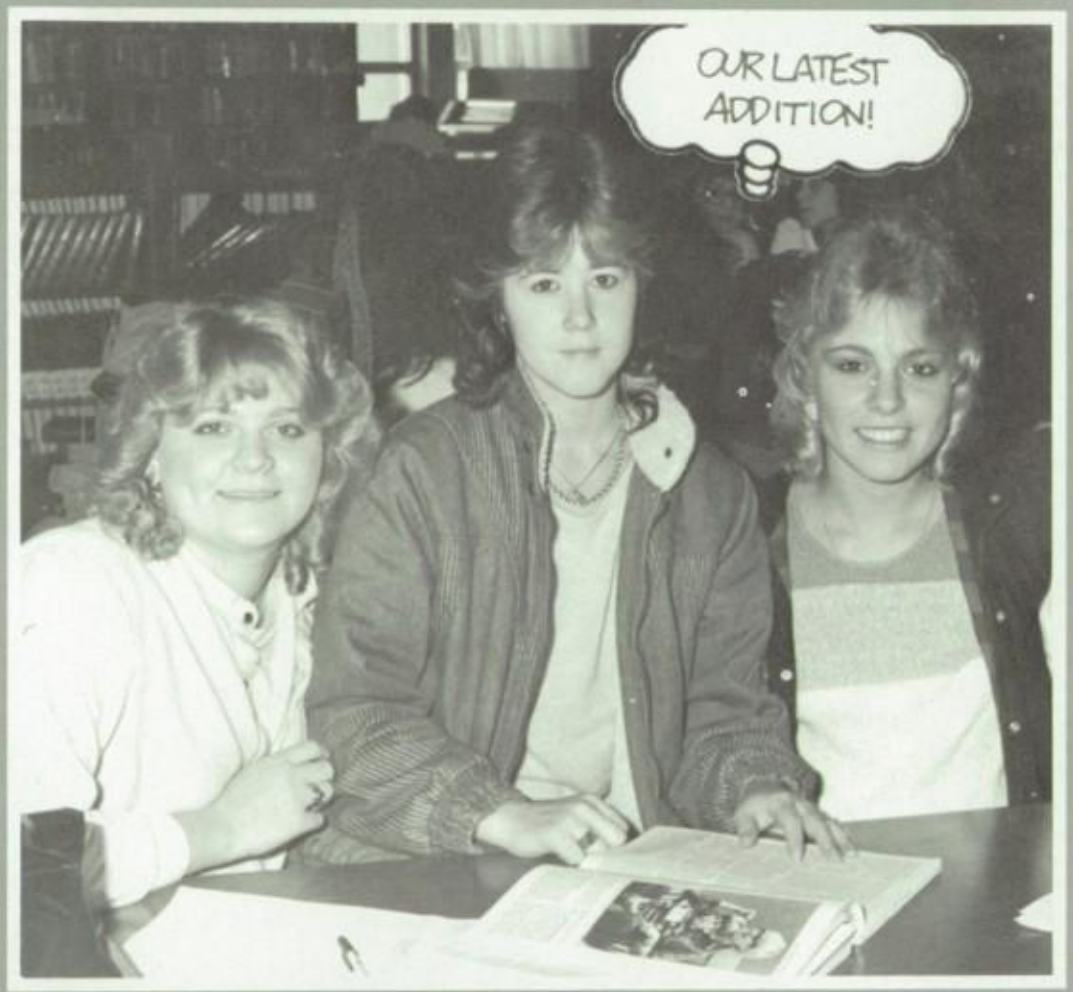
It's been four years now
that we've shared, good and bad
four years of memories
of our smiles, tears, and frowns
each as important as the other
as they all became part of what we are.
Through these years
we've crossed many a bridge
holding on to one another
groping towards victory
knowing we would win
even if we lost
because we fought together.
We walked through our world
of adolescent bustle,
although we really weren't so young
all the time,
with sunlight in our eyes
sometimes in jest, others in somber reality
we were many different things
to many different people
we were children, students, and friends
sometimes young, sometimes much too old
for our time
Each a contributing factor, to what we've become graduates.
And now thrust past June
we must say goodbye
to these four years
But I think we will still be all we were
through these years . . .

Kym Kern



WE'RE HAVING A GREAT TIME.
THERE'S ONE EVERY CROWD.

I've never been happier!



OUR LATEST ADDITION!

THIS IS THE LIFE.

I CAN SLEEP THROUGH ANYTHING!

I'M NOT ASLEEP, I'M MEDITATING.

STOP IT!

WANNA PLAY?

I are smart!

MOMMY'S LITTLE ANGEL'S

I think my shorts are too tight!

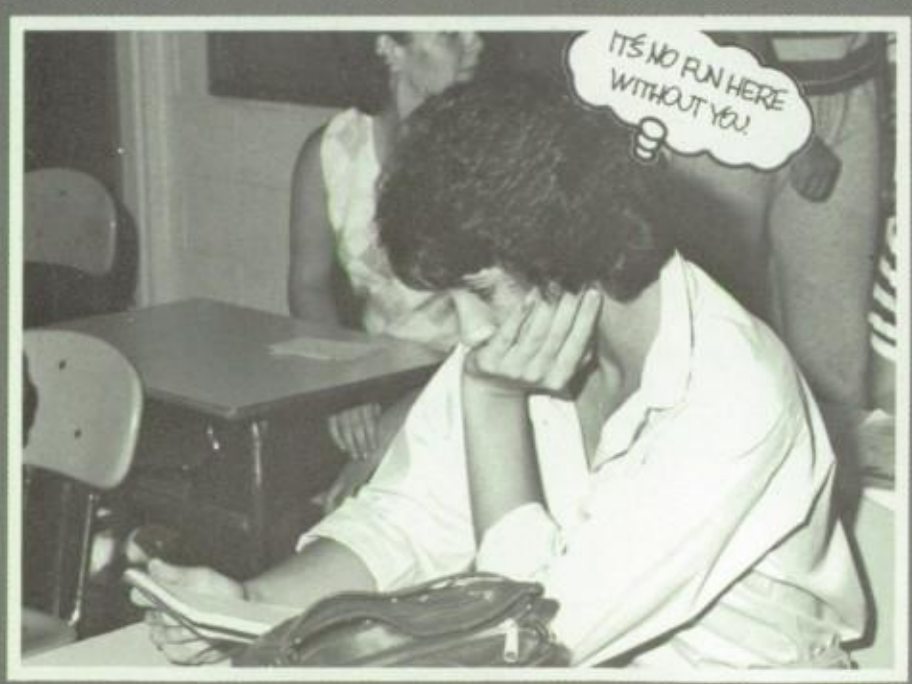
## "Home Sweet Home"

You know I'm a dreamer
But my heart's of gold . . .
Just when things went right
It doesn't mean they were always wrong.
Just take this song
And you'll never feel
Left all alone.
Take me to your heart . . .
Just one more night
And I'm comin' off this
Long and winding road.
I'm on my way
Well, I'm on my way,
Home Sweet Home!

You know that I seem
To make romantic dreams
Up in lights
Fallin' off the silver screen.
My heart's an open book
For the whole world to read
Sometimes nothing
Keeps me together
At the seams
I'm on my way
Well, I'm on my way
Home Sweet Home! . . .

— Sixx, Neil, Lee

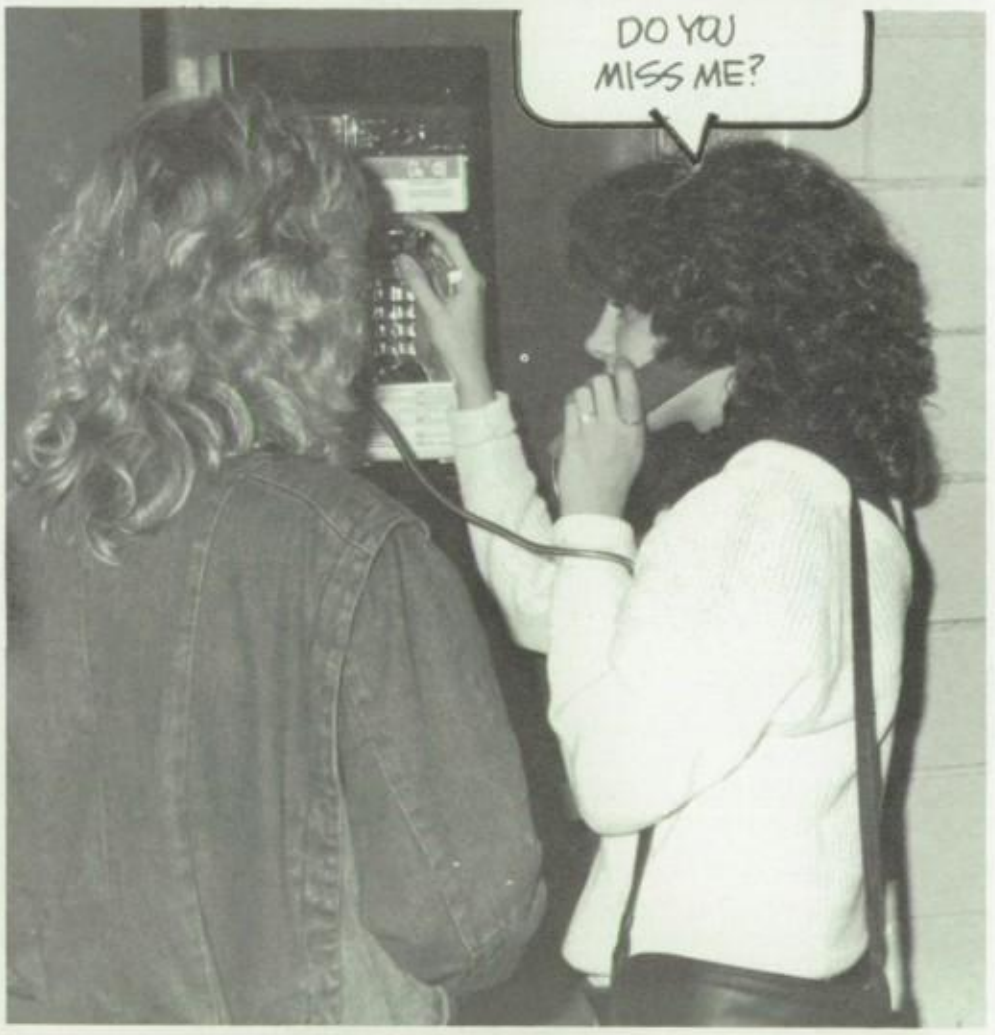


AND, FOR MY NEXT TRICK...

NONE OF THESE PEOPLE WERE INVITED.

DO YOU BELIEVE IN LOVE AT FIRST SIGHT?

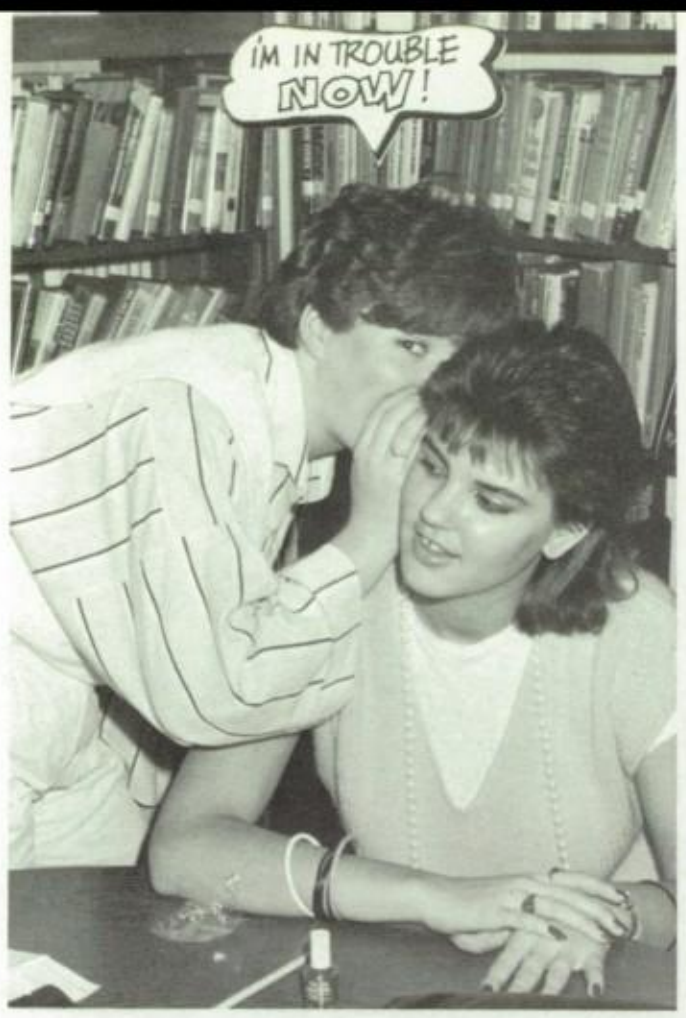
I'M GONNA BE A STAR☆!
I WAS BORN THIS WAY, WHATS YOUR EXCUSE?
HOW DID I END UP HERE?



DO YOU MISS ME?

"I JUST LOVE FAMILY GATHERINGS!"

THIS ONLY LOOKS EASY.



I'M IN TROUBLE NOW!

WHEN YA GOT IT, YA GOT IT!

DO I HAVE A CHOICE
EAT IT? I CAN'T EVEN PRONOUNCE IT!

I've never been happier!
DO YOU LIKE MY FRIEND?
Mother said there'd be days like this!
I'M NOT ASLEEP, I'M MEDITATING!

GOOD LOOKS RUN IN THE FAMILY.

Girls will be girls!

# Exchange Students

## Australia

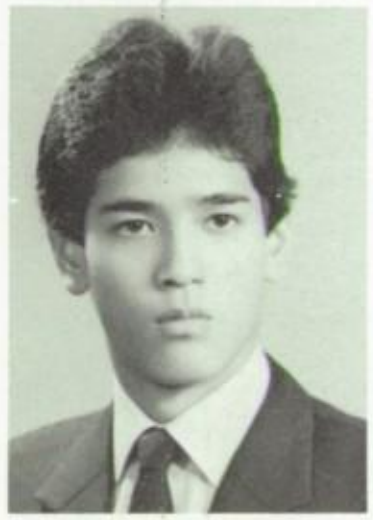
For Kylie Ann Miller her stay in America began in February of 1985 and ended in January of 1986. She got the best of both years. Kyle is from Tanja, Australia. She feels Australia is very different from the American way. Especially for teenagers. "The lifestyle here is so fast. Every time I turn around there's something new to do or try," stated Kylie. She is very happy and plans to someday come back. Kylie became an exchange student through The Rotary International Youth Exchange Program. This program allows the student to live with three different families by switching every four months. Her first family was the Donald Rieck family, second — Marvin Wodlinger, and third was the Michael Chiola family.

## Spain

Blanca Asensio is one of our exchange students that will be remembered long after she leaves. Blanca came from Madrid, Spain in August of 1985 and is leaving us in June of 1986. Ten years of studying the English language in Spain has served her well in America. Although she has picked up slang she speaks English extremely well. Blanca is very active in sports. In the fall she played girls' soccer. In the winter it was basketball and softball in the Spring. For entertainment on the weekends Blanca likes to go shopping, to the movies, going out with friends and most of all she loves to talk on the telephone just like American teens. When we discussed the American teens with her, she laughed and stated, "The American teens are very sport-orientated and they love to do things that are forbidden." Blanca is staying with the Michael Chiola family and feels they are an excellent family to live with. Homesickness has not been a part of Blanca's stay here. Since her parents came to visit in November and then her sister, Eugenia, came to celebrate Christmas with her.

## Columbia

Andres Saavedra is an exchange student from Columbia. He is staying with the Pamela Thomas family. Andres came to the United States for the first time on August 29, 1985 and will be returning to his home town in July of 1986. He plans to attend college here in the U.S. Andres has been active in many things during his stay in America. He likes ice skating, soccer, water skiing, and his favorite past-time is to lift weights. He went on the Senior Class trip and enjoyed it immensely. He loved the hot sun and blue water. While he was here, he went to the "Big Apple", New York, and got to see many famous landmarks of America. He also enjoyed a visit with his cousin and uncle. Andres feels it's good to become an exchange student . . . you learn about different cultures and it helps you mature faster because you have to make all your own decisions with no help from your real parents.



## Columbia

Carolina Acosta arrived in America on August 8, 1985 from Columbia and will leave on July 5, 1986. With only having three months of English while in Columbia, she's picked up on the language quite well. Along with knowing English well, she's made a lot of friends here, and has adapted well with the American customs. Carolina is staying with the John Carr family which she enjoys very much. As the typical teenage girl does — she likes going to the movies and to the mall to shop. She commented that the rules here are very easy going. Her brother and sister has been to America and she feels that it is good for a person to learn another language and culture. "Some teens are naive about world affairs," stated Carolina. "And by traveling to other countries you grow and learn much more about life." Carolina likes volleyball, tennis and horseback riding.

At the state level 5 of the 17 who went placed in the top 8 throughout the state placing second was Rodney Watkins who qualified to go on to the national competition in Atlanta. Overall this year was an interesting and exciting year for everyone.

This year's Homecoming game had an added attraction — rain. But on November 16, 1985, five senior girls were all smiles as they were escorted on the field to find out which one of them would become Homecoming Queen '85. The verdict was in, and the winner was Shelia Edwards. Her court, made up of Kim Sweet, Kris Salmon, Debbie Green, and Shannon Robinson, all congratulated Shelia on her victory. How did Shelia react to her new title? With big smiles and a lot of joyful tears.

# BONFIRE

The Bonfire of the class of '86 was a great success this year. Many seniors participated in the gathering of the wood in the pouring rain. Many people attended Millville High's annual tradition held the night before the Thanksgiving Day Football game against arch rivals, Vineland High School. Thanks to all seniors who made the Bonfire a lot of fun and a high school memory we will never forget.

# Debate

**First Row (L-R):** Mike DeMorat, Steve Elliott, Suzanne Elliott; Second Row: Matthew Forester, Doug White, Dennis Mellor, Bill Gaudelli. Third Row: Assistant Coach J. Wood, Coach R. Chambers.

The "T-Bolt" debate team, sitting atop the South Jersey Debate League, has a 10-0 record to date. Coach Robert Chambers foresaw a great season when a record twenty people tried out for the four varsity positions. Due to the tremendous interest, Millville has one of the best junior varsity teams in South Jersey along with the Varsity squad.

Debating this year is centered around the protection of the quality of water, a topic which demands indepth research by the debaters. The negative squad, headed by four-year varsity letterman Steven Elliot, joined by his sister Sue Elliott, have combined to defeat five challenging opponents in their first five debates. The affirmative squad, led by two year varsity letterman Bill Gaudelli and Matt Forester, have been successful in their first five debates. Standing by to fill in for their varsity teammates, Doug White and Mike DeMorat also debate Junior Varsity. Other team members include: Kim Schalek, Dennis Mellor, Tim Slavin, Mike Forester, Mary Ritter and Phil Shenton.

Hoping to regain the championship status of years past, Millville optimistically looks forward to possibly eight more wins and another championship.

Update . . . Just in from debate headquarters, Millville High School sweeps to a stunning victory over Cherry Hill and Vineland High schools on all six ballots. Millville "T-Bolt" debaters are proud to be atop the South Jersey Debate League once again, presently reigning as State Champions.

Variety Show

This year's Senior Variety Show will definitely be one to remember.

After being postponed two weeks in a row because of the inability to get enough seniors to participate, the show went on for one night only, February 28, with the help of Project '86 and Show Group.

From Coach Greek's rendition of "Just a Gigolo" to Project 86 the Variety Show was an enjoyable experience for both the audience and the cast.

*The Millville Memorial High School Drama Club presented its second production of the year, "The Canterville Ghost", in the school's auditorium.*

*The two-act comedy, directed by Mrs. Darlene Petrella, featured John Sutton as Sir Simon de Canterville. Sir Simon was a rather feisty ghost who was denied rest until the treasure he stole centuries ago was restored to the community. In the meantime, he tried to scare away the Americans John Hollingshead, Shelley Burns, Kris Ballard, Ronda Vai, and Leslie Reeves. These Yankees were interested in purchasing the castle. Ericka Milbourne and Tony Thomas play two of Sir Simon's ancestors.*

*Steve Pitts plays a dual role as Weeds, the gardener, and Santiago, the pirate. Other ghosts were played by Rich Marino, Melody Katz, Staci Schwegel, and Patricia Flickinger. Cynthia Zwicker and Mariana Santiago were the maid and housekeeper, respectively. Sheila Dutton played a psychic researcher who was called in by the family to scare Sir Simon into either leaving the castle or behaving himself. Instead she produced some rather interesting and unexpected results.*

*Villagers were played by Deidra Smith, Laura Clark, Karen Uncle, and Robert Harold. Helping backstage were Andy Baglio, Jesse Schaffer, Charles McGuire, and Otley Heulings, Michael Diedrich, Kevin Butterwork, Bill Pierce, Crystal Newby, Lily Gonzalez and Waleska Morles.*

*Assisting Mrs. Petrella was Ms. Myra Cubero, assistant; Mrs. Carol Coffee, was in charge of refreshments and tickets; John Hollingshead, choreographer; and Mr. Gary Kessler, whose shop classes constructed the set.*

# STRUTS TO SUCCESS

The MHS Thunderbolt Marching Band has grown into one of the biggest organizations in the school. Under the direction of Mr. Joe Akinskas and Mr. Dwight Cooper, the marching band has participated in a number of parades and competitions as well as football games. Sue Vorndran and Suzanne Elliott led the band as Drum Majors.

This year the MHS Marching Band has made history. With all of their hard work and effort to present such fine performances, the MHS Marching Band was recognized by the Liberty Bergade who invited the band to participate in the 1986 Mummer's Parade on New Year's Day. The marching band presented a fabulous presentation using "The 40's and 40 years later" as their theme, and placed 11th out of 60 competitors winning a $250 cash prize!!

# BACK IN '85

The inexperienced 1985 Thunderbolts rebounded from the year before to post a 4-5 record. They were led by a tough defense and a young offense which came alive in the last few games.

The Bolts opened with a 7-0 victory over county rival Cumberland. The Bolts' stingy defense led the way. Millville beat another county foe, Bridgeton, 17-8, led by the entire offensive line and the running of Harold Camper. A late field goal from Mike Balkovic pushed the #5-ranked Bolts past Egg Harbor, 10-7. Millville again led by its opportunistic defense and the outstanding running of Dave Murray.

An undefeated, but injury-plagued Bolts team fell just short against Atlantic City, 17-14. Led by Bob McDowell and Harold Camper, Millville's valiant comeback just fell short. A strong Ocean City team gave Millville its second loss, 26-6. Millville's injury-depleted team blew a 12-0 lead over St. Joseph's for their third straight loss, 20-12. Some controversial calls and a capitalistic Holy Spirit team defeated a determined Millville line-up, 11-8. The Thunderbolts evened its record at 4-4 with a 27-21 victory guided by the rushing of "Skeets" Gaskins and Camper.

Thanksgiving day was a disappointment for the T-Bolts, as they lost to a strong Vineland team 34-20, losing their hopes for a winning season and the county title. Millville's last quarter comeback was thwarted in an exciting game. Despite their 4-5 record, the fiery Bolts showed improvement, pride and determination throughout the year.

# Millville Swim Team

## '85-'86 Edition

# Race the Race

This year's Swimming Team had their most successful season ever. Captains Chris Milstead and Sonya Hemingway led their team to a 15-4 overall record and an impressive third place finish in the C.A.L. Division I Conference behind Vineland and Mainland Regional.

The team began the season with a new crop of freshmen who added much needed strength and depth. These newcomers combined with seasoned members such as Seniors Mark Felmey, Chris Milstead, Sophomore Robbie Wong, and Junior Sonya Hemingway to do more than just perform well in league competition. At the South Jersey Sectional Meet, Hemingway joined with Angie Vanaman, Renee DeSoi and Amy Gupko to place sixth overall, while the boys' team placed eighth overall. In addition, Millville sent ten athletes to Greenville, North Carolina to compete in the Atlantic Coast Interscholastic Swimming and Diving Championship. Milstead's boys' team received fifth place honors out of 35 teams, while Hemingway's team placed seventh out of 35 teams. The performance was recognized by coaches from many states. But the highlights of the season was the team's final home meet competition against Mainland Regional. League standings for second and third place status were at stake. Millville battled to a 36-36 tie with one event left in the meet, but unfortunately, the thrill of victory went to the opposing team, while Millville earned much respect from themselves, their competitors, families, coaches and fans. Everyone on the team made this a great year — a year many will be proud to look back upon with a prideful smile.

# Winter Track

Head Coach Rich Koeppel

Gary Cullen

The 1985-86 Winter Track team consisted of a group of dedicated runners. Under the direction of ten year head coach, Rich Koeppel, the team achieved many of the goals they set for themselves.

The team can be divided into three categories. Starting off with the elite runners, who are searching for excellence. Leading this group is the team's lone senior, Gary Cullen. At Winter track meets scores aren't kept, but the winners do receive medals. Cullen won a silver medal in the 400 meter dash at the SJ Coaches Individual Championship. Junior Rich Grim won a second place medal in the pole vault relay, along with Sean Thomas, at the South Jersey Coaches Relays. Nancy Fox, a junior, conditioned herself by running multiple events early in the season and performed well in the 1600m at the South Jersey Coaches Individual Championship.

Next are the achievers, the runners who are goal-oriented. These include juniors Tom Crowe, Derek Webb, Mike Everland, Nate Williams, Sean Thomas, Christa McDowell, Tricia Shultz, and sophomore Kim Black.

The third group is the up-and-coming freshmen. These athletes are experiencing high school track for the first time. Coach Koeppel expects them "to end the season looking forward to more competition in the spring." This year's freshmen are Elly Black, Cheryl Green, Stacy Johnson, Boyd Garrison and Kevin Holmes.
